“Life is a jungle! Children and teenagers need to be prepared for the challenges that awaits them in the future. Inspiring RPS participants to IMAGINE the POTENTIAL they desire to MANIFEST is our mission. The forest is our ultimate classroom as we deepen our connection with the laws of nature and one’s own nature. Are you a prey or a predator? Who is man’s predator? What trace are you leaving behind? Reflect. Imagine. Create. We are the sum total of our choices!”
